

A SNAPSHOT OF EARLY CARE & EDUCATION IN BESE DISTRICT 6

March 2024

In BESE District 6, **only 11%** of in-need children birth to age 3 are served by public programs, while 61% of 4-year-olds are.

KEY: ● Birth to 3 Children In Need Served ● 4-Year-Olds In Need Served

The vast majority of child care programs in BESE District 6 are meeting state quality benchmarks, providing **a smart start for children and a smart investment for families**. While early care and education program quality has improved, **access to quality birth to 3 programs remains an issue**. However, most in-need 4-year-olds in BESE District 6 have access to a child care program.

Network	Publicly Funded Enrollment	Numbers of Programs	Proficient Programs	Children In Need Served
Louisiana	55,942	1,814	93%	11-29% (Birth to 3), 75-84.99% (4-Year-Olds)
