

A SNAPSHOT OF EARLY CARE & EDUCATION IN BESE DISTRICT 8

March 2024

In BESE District 8, **only 17%** of in-need children birth to age 3 are served by public programs, while 71% of 4-year-olds are

KEY: ● Birth to 3 Children In Need Served ● 4-Year-Olds In Need Served

The vast majority of child care programs in BESE District 8 are meeting state quality benchmarks, providing **a smart start for children and a smart investment for families**. While early care and education program quality has improved, **access to quality birth to 3 programs remains an issue**. However, most in-need 4-year-olds in BESE District 8 have access to a child care program.

Network	Publicly Funded Enrollment	Numbers of Programs	Proficient Programs	Children In Need Served
