

A SNAPSHOT OF EARLY CARE & EDUCATION IN BESE DISTRICT 3

March 2024

In BESE District 3, **only 16%** of in-need children birth to age 3 are served by public programs, while 87% of 4-year-olds are.

KEY: ● Birth to 3 Children In Need Served ● 4-Year-Olds In Need Served

The vast majority of child care programs in BESE District 3 are meeting state quality benchmarks, providing a **smart start for children and a smart investment for families**. While early care and education program quality has improved, **access to quality birth to 3 programs remains an issue**. However, most in-need 4-year-olds in BESE District 3 have access to a child care program.
